

Tefillin Bank

According to Jewish Tradition, Jewish men and boys over the age of thirteen put on Tefillin every weekday. This profound act strengthens the mind and heart of the Jewish people at large. In 1967, the Lubavitcher Rebbe instituted the Tefillin Campaign, encouraging Jews worldwide to take on this very special Mitzvah.

The Anshei Lubavitch Tefillin Bank provides many services, including: short or long term loans of Tefillin, financial assistance toward the purchase of Tefillin, lessons on how to put on Tefillin, as well as regular visits to your home, store, or office.

To refer a friend for us to visit, dedicate a pair of Tefillin in honor of a loved one, or to contribute to the bank in any way please contact Rabbi Neubort at 201-794-3770 Ext. 101.

The Anshei Lubavitch Tefillin Bank was graciously dedicated by Dr. David Graber in fond memory of Rabbi Shimon Bobrofsky, his teacher and his Rebbe.
