Winner of last weeks trivia question

Why do we look at our nails during Havdala?

M. Stanislavsky gave the correct answer:

1) Adam and Chava were created with nails covering their bodies. Until after the Cheit Eitz Hadaas. And Adam was the one who discovered Fire on the first Motzei Shabbos and right then made the Beracha בורא

מאורי האש. That's when he noticed he only had nails on the tips of his fingers and toes.

2) We have to benefit from the candlelight, so we examine the difference between his skin and his nails.
