## RIDDLE OF THE WEEK

It doesn't hurt to take a hard look at yourself from time to time. This little test should help you get started.

During a visit to a mental asylum, a visitor asked the Director what the criteria is that defines if a patient should be institutionalized.

"Well," said the Director, "we fill up a bathtub. Then we offer a teaspoon, a teacup, and a bucket to the patient and ask the patient to empty the bathtub."

"Oh, I understand," said the visitor. "A normal person would choose the bucket, as it is larger than the spoon."

What was the director's response?

Answer will be in next weeks newsletter

### *Answer to last weeks riddle*

What goes up and down but doesn't move?

**Answer:** A staircase.

# Questions of the week

1
