Story of the week

Once, the Tzemach Tzedek came to visit the Maharash in his newly-built house. The Rebbe Maharash's house was built in the fashion of the very wealthy, which included very large windows (I guess the equivalent of French Windows?). The Tzemach Tzedek asked his son: "Why do you need such big windows?" Answered the Maharash: "In order to increase the light". Retorted the Tzemach Tzedek: "Der Zeide [my grandfather, the Alter Rebbe] didn't have large windows such as these in his home!" To which the Rebbe Maharash responded: "And perhaps, indeed, it was lacking light" Said the Tzemach Tzedek: "No! By him it was light, very light!"

TRIVIA QUESTIONS OF THE WEEK

Why are there 3 Matzos on the Seder plate? (not symbols)

The first one to come to Rabbi Eli with the answer by the Kiddush Will get something special—if you try to tell Rabbi Eli the answer beforehand, you will be disqualified.

Winner of last weeks trivia question

What is the reason for Karpas and the egg on the Seder plate?

The correct answer was given by Avraham Rusanov:

Karpas is made up of the words ס' פרך that's the 600,000 jews who were working really hard,

Another point in Karpas is so that the children should notice this unique custom and ask about it in the Ma nishtana. Also this way we

are able to make a Beracha on the potato/onion instead of Maror

The egg is to remember the Korban Chagigah that was brought in the times of the Bais Hamikdash.
