The first one to come to Rabbi Eli with the answer by the Kiddush Will get something special—if you try to tell Rabbi Eli the answer beforehand, you will be disqualified.

Last weeks trivia question:

Why does the Parsha called Noach and not Toldos?

The correct answer was given by Shaiky Bergstein:

Because the Name of the Parsha represents the topic of the Parsha (just like the name of anything in Loshon Hakodesh).

The Topic of Noach—is all about the life of Noach.

The Topic of Toldos is not about Yitzchak, rather it's about the children (offspring) of Yitzchak.
