Answer will be in next weeks newsletter

Answer to last weeks riddle

I purchased an awesome ice cream cone consisting of five different flavored scoops. The five flavors are:

Pistachio; Mint-chip; Strawberry; Marshmallow and Raspberry

I will give you three clues so that you can figure out the order of flavors from bottom to top. 1.

The bottom flavor of the cone has 10 letters. 2. The marshmallow scoop is between pistachio and the mint-chip scoop. 3. Marshmallow is above the raspberry

scoop but below the mint-chip scoop. So can you figure out the flavors of ice cream in order from bottom to top?

Answer: Strawberry, raspberry, pistachio, marshmallow, mint-chip.

STORY OF THE WEEK

The Chabad house on Gayly avenue in Los Angeles was the first Chabad house that was built to look like 770.

When Rabbi Shlomo Cunin, the head Shliach of California, had the plans made up at first he was not sure how the Rebbe would react, so he decided to give the Rebbe the plans thru the 'back door' so to speak, he gave it to the Rebbetzin so that she should show it to the Rebbe.

A couple of days later he was called to the Rebbetzin and she told him: "Men iz zeyer tzufriden az men hut azoi lieb dem tate's shtub az men hut es nuchgemacht".

Translation: "We are very happy that the fathers (i.e. the previous Rebbe) house is so loved that it was copied".
