## STORY OF THE WEEK

R' Nochum, the son of the Mittlerer Rebbe, was once talking with Chassidim, and he said to them: "People speak about moifsim performed by my father. I don't know anything about it, all I know is one thing that I personally witnessed:

Once, there was a fire in the ohel of my father, and all those present were trying to extinguish it. I wanted to save the sefer Torah, however, as I neared the aron kodosh, the fire was so intense that I was unable to get any closer. As I stood there trying to figure out what to do, I suddenly saw my father in front of me, holding the sefer Torah. He handed me the sefer Torah, and immediately disappeared.
