Dear Friends,

At Anshei Lubavitch, some of the best things happen unexpectedly. A mere seven months from the opening of the new educational wing, every student's chair had been taken by a smiling child and every classroom had been filled to capacity. Yet, the prospect of turning away even a single Jewish child was none that could be countenanced.

Viewing challenge as opportunity, and a deficit of space as a springboard for further expansion, Anshei Lubavitch sought out and acquired a new location in Saddle Brook to accommodate the new influx of beaming, vibrant children seeking top-notch Jewish education.

For Anshei Lubavitch, your trust is both humbling and empowering. We are enthusiastically driven to always reach for new frontiers and touch the soul of every Jew with love. That is why Anshei Lubavitch has launched CKids Academy Hebrew School, designed for Jewish children currently attending public school. It is the inspiration behind the new Fifty4-5 Torah Study Initiative, as well the new Wednesday night and Motzaei Shabbos Beis Midrash Learning Program for young and old.

This vision welcomed the CTeenU Jewish Business School to Fair Lawn where Jewish teenagers earn college credits while studying about their heritage, and the newly minted Bar and Bat Mitzva Chessed Club will train the leaders of the future to benefit the community through volunteer initiatives.

Your partnership and commitment to the growth and expansion of Jewish Fair Lawn, inspires us to mobilize every resource and harness all our potential to bring a living, vibrant Judaism to our many students and staff, community members, and fellow Jews who look to Anshei Lubavitch for education, inspiration and leadership. Your continued support and generosity is what makes Anshei Lubavitch's vital work possible.

Wishing you and your family a year of good health and happiness, and more importantly, yiddishe nachas from all your loved ones,

# Candle Lighting Guide

## HOW TO LIGHT SHABBOS CANDLES

- 1. HOW TO:** It starts with one light. Add a candle for your spouse, and if you're a mother, one for each child. A girl over the age of three may (with help from Mom) light her own candle.

Before kindling the candles (exact time is mentioned in the bottom of each calendar box), we think of those less fortunate and put a coin in a charity box.

- 2. LIGHT A CANDLE.** After the candles are lit, the woman stretches her hands out towards the candles, and moves them inwards in a circular motion – ushering in a special guest, the Shabbat Queen – three times. After the third time, the woman covers her eyes with her hands and recites the following blessing:

- 3. THE BLESSING:** Baruch a-ta A-do-nay Elo-hei-nu me-lech ha-o-lam a-she-ri ki-dee-sha-nu bi-mitz-vo-tav vi-tzi-va-noo li-had-leek ner shel Sha-bat Ko-desh.  
TRANSLATION: Blessed are you, L-rd our G-d, King of the universe, who has sanctified us with His commandments, and commanded us to kindle the light of the Holy Shabbat.

- 4. SAY A PRAYER.** The moments immediately after reciting the blessing, while the woman's eyes are still covered, are an extremely auspicious time for her to offer a private prayer for anything her heart desires. It is customary to use this special time to appeal to G-d for children who will glow with the radiance of the Torah, and that He light up the world with the light of the Redemption.

**BUILDING A  
WORLD OF  
MITZVOS**

The infinite value of a single mitzvah is what drives the Mitzvah Campaigns that have become synonymous with Chabad-Lubavitch. To Build a World of Mitzvos is our constant motivator at Anshei Lubavitch all year round.

A single opportunity to hear the Shofar blast on Rosh Hashanah, shake the Lulav on Sukkos, ritually immerse in a Mikvah, kindle the Chanukah candles just one time, eat Matzah on Pesach, or put on Tefillin, is an opportunity to forge an inner and eternal bond with G-d. It is this unique attainment that brings salvation and redemption to a world so desperately in need of healing.

The Anshei Lubavitch Menorah Project, Tefillin Campaign, Shabbos Meals, and programming aim to spread awareness and accessibility to include as many people in as many mitzvos as possible.

You too can join the effort to Build a World of Mitzvos. Participate in the Mitzvah Ambassador Program by contacting [info@flchabad.com](mailto:info@flchabad.com).

**BUILDING  
JEWISH  
IDENTITY**

The Anshe Lubavitch Kids Club features three pioneering programs designed for children and teens: CKids, CKids Academy, and CTeen work to Build Jewish Identity and pride in Jewish children who attend public school.

CKids combines the vibrancy and spirit of Judaism with fun-filled Jewish experiences and mitzvah-themed activities. By creating engaging opportunities for children to connect with their heritage in a fun and comfortable setting, CKids ignites passion for Judaism and Jewish identity, leaving a lasting impression and a lifetime of Jewish pride. Led by Rabbi Eli and Morah Ruty Steinhauser, the CKids Club meets throughout the year to celebrate Jewish holidays, such as honoring Tu B'shvat with nature-themed science experiments and gathering on Chanukah to light candles and enjoy Chanukah treats.

CKids Academy offers a weekly opportunity for Jewish children currently attending public school to experience exposure to Jewish life in a fun-filled atmosphere. Register at <https://www.flchabad.com/ckids-academy-registration/>

CTeen inspires engagement in Jewish life for Jewish teens currently attending public high school. In a friendly and dynamic atmosphere, teens gather to celebrate holidays, volunteer community service, enjoy fun excursions and trips, including the annual international CTeen Shabbaton.

CTeenU is a unique program for Jewish teens to earn college credits by studying Jewish philosophy and exploring the richness of Jewish history and heritage. To find out more, please see <https://www.cteen.com/>

**BUILDING  
A WORLD  
OF JOY**

One of the cornerstones of Judaism is serving G-d with joy! Different than any defined ritual or practice, infusing infectious joy in all aspects of Jewish living is an overarching value, penetrating all areas of the human experience.

At Anshei Lubavitch we are privileged to be sought out to participate in the joyous occasions that characterize a Jewish life. We host weddings, Bar and Bas Mitzvahs, and upsherin. Congregants sponsor Kiddush on Shabbos to celebrate birthdays, anniversaries, and graduations and all the joyous milestones of a Jewish life together with the entire community. Sharing these happy moments spreads the joy and creates a lingering overall joyous atmosphere for us all.

Help us Build a World of Joy by dedicating a day of Mitzvos and Torah learning in honor of someone whose special occasion you are celebrating!

**BUILDING  
UNITY  
WITHIN  
COMMUNITY**

One of the guiding principles of Anshei Lubavitch is that every Jew is an indispensable part of the mosaic that comprises the Jewish community.

This paradigm reverberates throughout Anshei Lubavitch and all of its activities, and is especially true of its diverse communal outreach work.

The thread that brings so many different Jews together to daven, study Torah, sing, dance and farbreng at congregation Anshei Lubavitch is not their level of observance, ideology or political alliance, but their Jewish identity alone.

Looking for a welcoming congregation where you will feel comfortable regardless of who you are? Join Anshei Lubavitch where every Jew is valued and welcome.

**BUILDING  
THE FUTURE**

Anshei Lubavitch Preschool and Daycare was founded in 2003 with the aim of providing a superb education in an exceptional facility. Distinguished by its characteristic positivity and warmth, Anshei Lubavitch Daycare strives to make each day the absolute best, most fulfilling, happiest day for every child.

The Anshei Lubavitch Preschool team expands by surrounding the children with fun, happy, joyful and loving Morahs, who bring their excitement each day, along with their years of educational experience and expertise. The diverse team of Morahs share a common thread: a passion for helping each child optimize his or her enormous potential.

One of the highlights of the week at Anshei Lubavitch are the Friday Farbrengens conducted in the daled classes. Through beautiful melodies, pertinent stories and lessons, the children absorb the warmth and enthusiasm of Judaism. Thank you Rabbi Neubort, Rabbi Bergstein and Rabbi Eli for such inspiring farbrengens!

At Anshei Lubavitch Preschool, we are Building the Future by helping each child to do their best, become their best, and have the very best time doing it.

SEFER  
TORAH**

There is the Torah of ink on parchment and then there is the Torah that is embodied in the human spirit. When the two are married, it calls for celebration! During the summer of 2021, the Anshei Lubavitch family celebrated the completion of a brand-new Torah, dedicated by our dear friend Mr. Wolf Terner in loving memory of his late wife, Judith".

Enveloped in the glow and love of the Fair Lawn community, the Torah's final letters were inscribed at the home of Rabbi and Rebbetzin Neubort, and paraded through the streets with great fanfare, accompanied by the older boys of Anshei's SDK camp division. The Torah was greeted by hundreds of smiling campers at Anshei's older division who danced and embraced the new Torah as their own.

The procession concluded with the Torah being welcomed to its home by the youngest members of Anshei Lubavitch, the brightest guarantors of our future. What joy and enthusiasm! The festivities carried on into Shabbos with a community celebration and hakofos.

The richness and warmth of Jewish tradition came alive as the Torah's reception wove together Jews of all backgrounds, old and young, and strengthened their commitment to cherish its sacred teachings.

**BUILDING A  
CONGREGATION**

Anshei Lubavitch Congregation seeks to create a welcoming, accepting atmosphere, where all Jews feel comfortable regardless of their level of education or affiliation. Our congregants represent the diversity of the Jewish community of Fair Lawn.

Although personal prayer held in private has merit, its potency is amplified dramatically when offered together with a communal quorum.

At Anshei Lubavitch, vibrant and reliable minyanim are held each day for morning, afternoon, and evening prayer services, including Shabbos and Jewish festivals.

Whether you enjoy participating in the entire service or only a small portion, you are always welcome at Anshei Lubavitch. Join for kiddush and camaraderie every Shabbos Morning! The Rabbis and Rebbetzins at Anshei look forward to welcoming you!

Join us. We are always better together.
